

# Tom Antion's Powerful Mentee J/V Program

## Nature of 1 Year Program:

This is an exclusive one-of-a-kind 1 year program where you learn how to build a significant Internet business. You will invest an entry fee. As part of our joint venture/training agreement you will give me 25% of your profits up to a cap of \$50,000.00. For me to get my 50K you have to profit \$200K so you can be sure that I'm not going to disappear from helping you because I want my 50K and I want you to become an Internet expert. You will visit the only facility of its kind in the world *The Great Internet Marketing Retreat Center* as my guest. You can take "legitimate" time off, but if you disappear, then I disappear.

## Who can be included in the program?

- **Spouse or family members** included in the program can stay at the Retreat Center with you.
- **Assistant(s)** eligible to be included in the program can either stay in your room at the Retreat Center if appropriate, or come to the training and all the activities during the day, but stay at a nearby hotel at night at your expense. Some people bring their entire staff.

## What you get:

**Initial Call:** We schedule a talk one-on-one as an indoctrination to get to know each other.

**Extensive Training Materials Package:** You and anyone you designate go through your Training Package of Materials—This includes a quick start guide.

**On line training:** – You go through our extensive training site at your own pace. Average person working full time takes 1-2 months. Some people go much faster and some do part-time which takes 3-4 months. After each module you email me, or call me with questions.

**TeleClasses:** On average we have twice a month conference calls – recorded if you can't be on the call.

**Personal Help From Me:** Unlimited phone and email assistance with me and my staff for one year. Also, some specialty and administrative help from Kia, Nick, Marc, Travis, & Jennifer.

**Critiques:** I will not write your sales copy for you. I will critique what you have written or what you have had written for you. I will also critique your websites.

**Joint Ventures:** Additional collaboration possibilities with other mentees and me when appropriate.

**Mastermind Groups:** Many visitors to the retreat center have formed their own groups

**Evaluation of your ideas:** I will look at all the ideas you come up with before you develop them to give you my opinion on the ones that have the best chance of success. You will also learn how to use the Internet to evaluate your ideas.

**Pats on the Back:** I will not just pat you on the back to keep you happy and I will not go along with an idea you have just because you have your heart set on it. If I know it is doomed to failure, I must tell you so. I wouldn't be worth much to you if I let you make costly mistakes now would I?

**You may delay start time:** When you pay your deposit it locks in your participation, and you may delay your start time up to three months.

**Free Public TeleSeminars:** Anytime you hear me announce a teleseminar or web cast you participate for free or you may request the recording.

## **Conditional Guarantee:**

This Program is non-refundable after you've had a cooling off period as usually required by law so please don't join and waste your time and mine if you aren't serious, **HOWEVER**, if you do all your assignments and keep in touch with me regularly, (at least a call or email progress report every week minimum) and consistently work on building your Internet infrastructure and continue to put what you learned into action, at the end of one year if you don't have a profitable Internet business, you get all your deposit money back.
